

Upper Suwannee Conservation Tillage Alliance No-Till Drill Use Agreement

As a current paid member of the USCTA, I obtained the USCTA no-till drill from:

Name: _____ Date: _____

I used the drill to plant:

Acres: _____ of Crop: _____ for a (circle one or more)

Cover Crop Grazing in Pasture Grazing in Cropland Grain Crop

I agree to pay the rental fee of \$6.00 per acre planted or \$100.00 minimum. Payment will be made within one week after use of the drill. Also, I agree to make the best use of the drill in a timely manner making the drill available as quickly as possible to the next person on the waiting list. (The USCTA feels that when conditions are good one should be able to plant from 20-40 acres per day.)

Furthermore, I understand that I am responsible for any unusual damage repair cost that is a result of my misuse of the drill. Routine repairs and maintenance will be conducted and paid for by the USCTA. I will not hold the USCTA or any of its members liable for property damages or physical injury incurred from my use of the drill.
